Any vehicle carrying 10 or more passengers is **required** to have limits of \$100,000/\$500,000/\$100,000 or \$500,000 combined single coverage. In the case of rented vehicles, the requirement of coverage limits can be met by combining the limits of personal coverage carried by the driver with coverage carried by the owner of the rented vehicle. All vehicles used in travel outside the United States must carry a public liability and property damage liability insurance policy that complies with or exceeds the requirements of that country.
